STAKEHOLDER MANAGEMENT PLAN		
Project Name	Online Student Planner	
Name	About the Stakeholder	Plan

Timothy Maciag	Stakeholder is our class professor. Plays the role of Scrum Master and has a high level of authority over the project and its outcomes.	Consult with this stakeholder regularly as per his given deadlines to update on plans to move forward and day-to-day activity progress reports. May also reach out to this person as a source of help when we encounter major roadblocks.
Adhanna Hiyas	Stakeholder is a member of the developer team.	Heavily involved with the day-to-day activity and active development of the project. Keep involved during all stages.
Kristoffersen Garces	Stakeholder is a member of the developer team.	Heavily involved with the day-to-day activity and active development of the project. Keep involved during all stages.
Khelan Natha	Stakeholder is a member of the developer team.	Heavily involved with the day-to-day activity and active development of the project. Keep involved during all stages. Keep in contact constantly to make sure he is up to date with the progress and plan.
